## Research session abstract template

A professional development event for people who work with people who use alcohol and other drugs

## Guidelines

The presentations will take place in chaired sessions around a particular topic and are 20 minutes long with five minutes question time.

- Font: Calibri 11, black
- Word count: 300 words.
- Line spacing: 1.5

## Template

### 1. Title of session

Titles should be brief and reflect the content of the abstract.

### 2. Background

Outline and describe the research objectives and the problem being studied.

### 3. Methodology

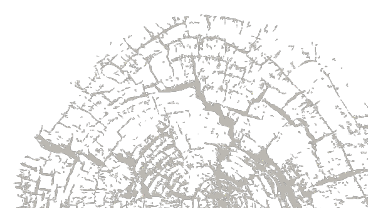

Describe your methodology in an accessible way.

### 4. Results

Provide a summary of your main findings.

### 5. Conclusion

Describe the relevance and implications of your results.

## Submission

Submit your abstract with the template provided by **5.00pm on 4 April 2022** to:

Tom Ogwang

Sector Capacity Building Officer
